This office is a division of the Department of Workforce Services, and is located in Rock Springs, WY. It is the responsibility of this office to administer the State Statutes pertaining to the health and safety of the miners, and to recommend legislative changes in such regulations when needed.

Pursuant to these statutes, each mining operation in the State is inspected for compliance several times each year, and all fatal or serious accidents are investigated. Complaints by employees of unsafe working conditions are also investigated.

State Statutes also created the Mining Council, composed of 10 members and the State Inspector of Mines. The membership is composed of 5 management and 5 hourly representatives from various types of mining operations. The members of the Council act in conjunction with the State Inspector of Mines to improve the health and safety in the mines of this state.

The State Mining Council is also responsible for the certification of underground and surface mine foreman and underground and surface mine examiners as required by State Statutes. The members of the Mining Council are:

Training

Mine Safety and Health Training is available through the M.S.H.A. State Grant Program which is funded by a grant awarded by the Department of Labor. There are full time and contract trainers located at the Northern Wyoming Community College District, Gillette College and at the Western Wyoming Community College, Green River Campus. These instructors conduct training on campus and also travel throughout the state upon request.

The programs currently available from certified instructors are:

- Annual Refresher Training
- New Mine Training
- Impoundment Re-certification
- Electrical Certification Review
- Electrical Re-certification
- Mine Foreman Certification Review
- Surface Coal Shot-Firer Re-certification
- Instructor Training for Certification
- Accident Investigation and Prevention
- Part 56/57 Training
- Part 77 Training
- Part 46 Training
- Part 47 Haz-Com Training
- Part 62 Noise Training
- First Responder Training
- First Aid
- C.P.R.

I encourage all of the mines and mine contractors to use the Grant Program whenever possible.

2012 - MINE FOREMAN CERTIFICATION
