PROVIDER BULLETIN

TOPIC: Paradigm Spine Dynamic Stabilization System (DSS)

Published by Wyoming Workers' Compensation Medical Case Management Unit
April 16, 2014

Based on review of the current research, the use of the DSS System will be considered investigational and not medically necessary for all indications. All requests for use by a provider will be considered investigational and according to the Wyoming Workers' Compensation Rules & Regulations, Chapter 10. Section 19. (the provider)...will submit to the Division a comprehensive review of the medical literature. This review will include at least two good prospective, randomized, placebo-controlled, double blind trials.
