PROVIDER BULLETIN

TOPIC: Lower-Limb Robotic Exoskeleton (ReWalk-P)

Published by Wyoming Workers' Compensation Medical Case Management Unit
February, 2016

Based on review of current literature, the panel determined that the use of lower-limb robotic exoskeleton [ReWalk-P (Personal)] are considered investigational and not medically necessary for all indications. Any requests for use by a provider will be considered investigational and according to the Wyoming Workers' Compensation Rules & Regulations, Chapter 10, Section 19., (the provider) ...will submit to the Division a comprehensive review of the medical literature.

All requests for the device will be sent for review to a spine specialist/spine rehabilitation specialist
