PROVIDER BULLETIN

TOPIC: Genicular Blocks and Rhizotomy

Published by Wyoming Workers' Compensation Medical Case Management Unit and Effective on
June 28, 2017

Based on review of the current literature, recommend that Genicular Blocks and Rhizotomy and associated combinations will be considered investigational and not medically necessary.

Any requests for use by a provider will be considered investigational and according to the Wyoming Workers' Compensation Rules & Regulations, Chapter 10, Section 19., (the provider) ...will submit to the Division a comprehensive review of the medical literature. This review will include at least two good prospective, randomized, placebo-controlled, double-blind trials.
