PROVIDER BULLETIN

TOPIC: IDET Procedure

Published by Wyoming Workers' Compensation Medical Case Management Unit
December 2017

Based on review of the current literature, the IDET Procedure will not be authorized by the Division based on the Wyoming Workers' Compensation Rules & Regulations, Chapter 1, Section 4. (a) Medically Necessary. "Medically necessary treatment" means those health services for a compensable injury that are reasonable and necessary for the diagnosis and cure or significant relief of a condition consistent with any applicable treatment parameter.
