Note: Dependent's benefits are payable to age 21 or age 25, if the dependent is enrolled in post secondary education. If the dependent is physically or mentally incapacitated, benefits are payable until the child dies or is qualified for and receiving benefits under the Medicaid home and community based waiver program. Place an "I" next to the age of any incapacitated child over 18, and include a statement of incapacity from that child's physician. Pursuant to Wyoming Statute 3-3-108, children's benefits which exceed \$5000.00 per year will require that conservator over the child's estate be established.
