**Health & Safety Consultation Discount**

- Four tiers of discount levels, outlined below:
  - 3% - Invite and work with WCSR Safety Specialist or OSHA Consultants to correct all hazards in the workplace.
  - 5% - Invite and work with WCSR Safety Specialist or OSHA Consultants, with hazards corrected, plus score a 2 or higher on management survey. Employers participating in the EVTAP (Employer Voluntary Protection Program) should qualify for this program.
  - 7% - Invite and work with WCSR Safety Specialists or OSHA Consultants, with hazards corrected, plus score a 2 or higher on management survey. Employers participating in the SHARP (Safety Health Recognition Program) should qualify for this program, but must be below TRC and DART for the NAICS the company is covered under.
  - 10% - Invite and work with WCSR Safety Specialists or OSHA Consultants, with hazards corrected, plus score a 2 or higher on management survey and a 3 on at least 10% of the questions. Employers participating in the SHARP or VPP (Voluntary Protection Program) should qualify for this program, but must be below the TRC and DART for the NAICS the company is covered under.
These discounts are good for three (3) years; however, onsite audits may be performed to validate continuation of the discount. If problems are found, the discount may be revoked. Employers can use private consultants that have been approved by Wyoming OSHA Consultation.

**Workplace Safety Contracts**
- The Workplace Safety Contracts provides opportunities for all Wyoming employers to enhance or implement new safety practices. This includes purchasing health or safety equipment for the provision of workplace safety.
- Funding from this program shall be no greater than ten thousand dollars ($10,000.00) per state fiscal year (July 1 – June 30) for each applicant. The applicant shall be required to pay ten percent (10%) of the approved allowable expenses.
- Allowable training costs include, but are not limited to: tuition, registration, class fees and class materials directly related to the training, instructor’s fees and travel expenses (when instructor is brought to location for training).
- Expenses not allowed include, but are not limited to: capital construction, wages, administrative expenses, instructor fees (when employed by applicant), testing and certification exams not included in original training.
